THE END

Q: What did you dress as for Halloween last year?

- Lilly, Ohio

A: Tom was Wilson from Home Improvement and Max just wore plain-clothes with a Boba Fett helmet.

Q: What's your favorite deep cut Star Wars quote?

- Old Ben, from beyond the Dune Sea

A: SHUT DOWN ALL GARBAGE MASHERS ON THE DETENTION LEVEL!!

Q: What do you do when you're not grinding away on Dig?

- Kevin, Ohio

A: Glad you asked, Kevin! When we take a break, we like to fire up the Nintendo 64 and log a few laps on our favorite game, Mario Kart. Wario & Donkey Kong are preferred characters, and we ALWAYS start with the Mushroom Cup.

Q: If you could be one animal, which would you choose?

- Raven, Transylvania

A: Thanks...Raven. We were kicking around our options — obviously you would want something near the top of the food chain, but we decided to take it in a different direction. We want to be aliens. With spaceships.
